

**The Lake County School Safety Commission and
the Indiana School Safety Specialist Academy Present:**

"Current Drug Trends in Schools"

Presented by:

Justin Lauria, Lieutenant, Drug Impairment Detection, LLC

Training Overview

This session is designed for school staff to learn the latest drug trends among adolescents.

Topics of discussion include:

- Drug abuse statistics
- Current drug trends
- Most popularly used drugs amongst teens
- Cannabis and its various forms
- Concealment techniques used by teens
- Importance of drug impairment recognition

Objectives

At the conclusion of this session, participants will be able to do the following:

- Visually recognize the most common types of drugs being abused amongst teens
- Recognize concealment techniques used by teens
- Identify the numerous different types of cannabis products on the market
- Be up to date on the most current drug trends

Additional Details

This free training opportunity will take place on Friday, April 14, at Merrillville High School from 8:30 a.m. to 4:30 p.m. ET. Registration begins at 8 a.m. ET. Participants should park in the staff parking lot behind the school and enter through Doors I and J. This training is available for school administrators, staff, and resource officers, as well as law enforcement and first responders. Professional Growth Points, CEUs, and law enforcement hours are available. Click [here](#) to register. Contact Ryan Stewart via phone at 317-234-1362 or via email at rstewart@doe.in.gov with any questions.
